Jurnal Pepadun

Volume 6 Nomor 1, April 2025

Jurnal Pepadun is a journal for publishing research in the fields of computer science, information systems, and informatics to researchers, scientists, and professionals. Jurnal Pepadun is published three times a year, in April, August, and December.

Advisor
Dean of FMIPA, University of Lampung

Person in Charge
Head of the Department of Computer Science, University of Lampung

Editor in Chief
Didik Kurniawan, University of Lampung

Managing Editor
Dewi Asiah Shofiana, University of Lampung
Ardiansyah, University of Lampung

Editorial Board
Ari Fadli, Jendral Soedirman University
Faisal Dharma, Telkom University
Yessica Nataliani, Kristen Satya Wacana University
E Haodudin Nurkifli, Singaperbangsa Karawang University
Kurniati Asmar, Asia Cyber University
Ahmad Fathan Hidayatullah, Islamic University of Indonesia
Rizky Prabowo, University of Lampung
Yunda Heningtyas, University of Lampung
Astria Hijriani, University of Lampung
Rahman Taufik, University of Lampung
Ridho Sholehurrahman, University of Lampung
Muhaqiqin, University of Lampung
Dhella Amelia, University of Lampung
Muhammad Galih Ramaputra, University of Lampung

EDITORIAL INTRODUCTION

All praise and thanks be to Allah the God Almighty, for His blessings and protection, which have made the publication of Jurnal Pepadun possible. We warmly welcome you to the latest edition of Jurnal Pepadun, a platform devoted to sharing the newest knowledge and innovations in Computer Science.

This issue features a range of articles showcasing diverse research topics and the most recent advancements in the field of computing. We hope that each article offers valuable insights and makes a meaningful contribution to our understanding of ongoing developments in Computer Science.

We extend our heartfelt gratitude to all authors and contributors for their dedication in producing high-quality content for this edition. May the articles published here inspire readers and enrich their knowledge.

Enjoy your reading.
