## **Jurnal Pepadun**

### **Volume 6 Nomor 2, August 2025**

Jurnal Pepadun is a journal for publishing research in the fields of computer science, information systems, and informatics to researchers, scientists, and professionals. Jurnal Pepadun is published three times a year, in April, August, and December.

#### **Advisor**

Dean of FMIPA, University of Lampung

#### **Person in Charge**

Head of the Department of Computer Science, University of Lampung

#### **Editor in Chief**

Didik Kurniawan, University of Lampung

#### **Managing Editor**

Dewi Asiah Shofiana, University of Lampung

Ardiansyah, University of Lampung

#### **Editorial Board**

Ari Fadli, Jendral Soedirman University

Faisal Dharma, Telkom University

Yessica Nataliani, Kristen Satya Wacana University

E Haodudin Nurkifli, Singaperbangsa Karawang University

Kurniati Asmar, Asia Cyber University

Ahmad Fathan Hidayatullah, Islamic University of Indonesia

Rizky Prabowo, University of Lampung

Yunda Heningtyas, University of Lampung

Astria Hijriani, University of Lampung

Rahman Taufik, University of Lampung

Ridho Sholehurrahman, University of Lampung

Muhaqiqin, University of Lampung

Dhella Amelia, University of Lampung

Muhammad Galih Ramaputra, University of Lampung

Publications on Engineering, Programming,  
Artificial Intelligence, Data Science, and Ubiquitous Networking

Department of Computer Science | Faculty Of Mathematics And Natural Science | University Of Lampung

## EDITORIAL INTRODUCTION

All praise and thanks be to Allah the God Almighty, for His blessings and protection, which have made the publication of Jurnal Pepadun possible. We warmly welcome you to the latest edition of Jurnal Pepadun, a platform devoted to sharing the newest knowledge and innovations in Computer Science.

This issue features a range of articles showcasing diverse research topics and the most recent advancements in the field of computing. We hope that each article offers valuable insights and makes a meaningful contribution to our understanding of ongoing developments in Computer Science.

We extend our heartfelt gratitude to all authors and contributors for their dedication in producing high-quality content for this edition. May the articles published here inspire readers and enrich their knowledge.

Enjoy your reading.
